2<sup>nd</sup> March 2021

Dear Parents,

I, and the rest of the staff are SO pleased to confirm that we will be welcoming all children back in to school from Monday 8<sup>th</sup> March 2021. We cannot wait to see the children who have been at home, and I am sure that all the children are looking forward to being back together.

Life in school will be very similar to how it was prior to the January lockdown – I understand that some of the children who have been off for several weeks may be feeling apprehensive - please reassure them that school is still very much the same with lots of familiar faces and that they will soon settle back into the routines they know well. There are some short videos on school's website - [www.stwerburghs.co.uk](http://www.stwerburghs.co.uk). under the COVID-19 communication tab which may be of use.

One difference will be adults wearing face coverings in communal areas – again please talk to your child about this so that it is something they can expect to see.

Face coverings should be worn by adults on the long drive. Drop off and pick up times, based on surname initial remain the same (see below).

So that we can minimise contact/time on the drive, please help us by;

- Arriving **on time** for your allocated drop off/pick up time
- Ensuring your child has their water bottle and folder ready in hand so that after a quick hug/kiss they can come straight through the gate and reduce a build-up of people.
- Please allow older pupils to walk up the drive on their own to reduce congestion.

**THANK YOU** to all our parents and their families for the support you have given to your children and to us here at school. It has been a difficult time for everyone, but we have felt very much appreciated.

Kind regards

Mrs Alton
